Mushrooming of private colleges

1990. SHRI S. ANBALAGAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether Government are aware that there is a mushrooming of private colleges in higher education and technical education particularly in engineering and medical fields;

(b) if so, the number of private engineering and medical colleges in the country, State-wise;

(c) whether Government are aware that quality of education has been affected in these professional fields of engineering and medicine due to inadequate infrastructural facilities and inefficient and inexperienced teaching staff;

(d) if so, the steps taken by Government during the last two years; and

(e) the steps proposed to be taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALI ASHRAF FATMI): (a) No, Sir.

(b) Information with respect of Medical Colleges are being collected from the relevant Ministry. The details of All India Council for Technical Education (AICTE) approved engineering colleges for the year 2006-07 in the country, State-wise, is enclosed as Statement (See below).

(c) The quality of education in the field of engineering is not being affected as the Council grants approval for establishment of new engineering institutions/extension of approval for existing engineering institutions only to those applicants, which fulfill the norms and standards of the Council.

(d) and (e) The Council conducts scheduled/surprise inspections in technical institutions to ensure maintenance and compliance of norms and standards of the Council.

Statement
